That's why Moore-Few Care Center is focused on the health and happiness of your loved one.

Moore-Few Care Center

A Special Place for Special People

901 South Adams
Nevada, MO 64772

(417) 448-3841

www.nrmchealth.com

Our dedicated staff of RNs, LPNs, Certified Medication Technicians and Certified Nursing Assistants take pride in the high quality of care they give to residents.

Residents enjoy a newly remodeled commons area, expanded dining room and our new outdoor patio.

Discharge Planning

Many of our residents are admitted for short-term stays. We are proud of the fact that approximately 50% of our annual discharges are to home.

Transitional Care Unit

Moore-Few Care Center offers a Transitional Care Unit for specialized, short-term stays for recuperation from hospitalization as well as a “home away from home” for long-term residents. Each bed has a private telephone and TV with extended cable service.

Services Offered

Services are offered by the following:

- Nurses
- Physical, Occupational & Speech Therapists
- Activities Personnel
- Social Services Designee
- Dietitian
- Dental, Vision & Podiatry Professionals

Activities

A wide range of weekly activities are scheduled to provide an opportunity for socialization with friends. Special events are coordinated by a variety of community volunteers. Residents are assisted in pursuing their interests and are encouraged to try new hobbies.

Activities include cooking, crafts, bingo, coffee time, exercises, music, religious services and outings in the facility van.

Care Plan Team

Our multi-disciplinary Care Plan Team (Nursing, Dietary, Social Services and Activities) develops comprehensive plans of care on a routine basis for each of our residents. Families and loved ones are encouraged to participate to help meet current and future needs of the residents, and to give families an opportunity to air concerns or provide input.

Transportation

With direct access to the hospital, transportation for medical needs is provided without stress or cost. Outpatient services such as Lab, Diagnostic Imaging, Ophthalmology, Urology and Orthopedics are just down the hall.
