Medical Center Foundation*

Mission

The mission of The Nevada Regional Medical Center Foundation is to secure private gift support for the hospital, Moore-Few Care Center, Barone Alzheimer's Care Center and Home Health/Hospice; and to support the health care mission of the hospital.

Today, health care needs are greater than ever and Nevada Regional proudly offers excellent medical services to meet those needs.

The cost of providing quality health care continues to increase at rapid levels. Nevada Regional strives to maintain the latest technology, as well as staying up-to-date with changing community needs and continual demand to upgrade and improve equipment and services. This requires funding beyond patient revenues.

Thank you for your support.

Join Us

The Nevada Regional Medical Center
Foundation invites you to join us for the
lighting of the *Foundation Tree of Shining
Memories*. The tree will be located on the
southeast corner of the Vernon County
Courthouse. The lighting ceremony will
precede the annual Christmas parade. There
will be a special tribute for those being
memorialized.

Make a Tribute

We hope that you will renew your gift of the
past or, if you are a first time donor, will join
the many supporters of this event by making a
special tribute in memory of someone dear to
you.

**Each gift of \$10.00 will purchase a light.
An acknowledgement card will be sent to
the family of the one being remembered.**

**The names of those being memorialized,
along with the donors' names, will be
printed in the Nevada Daily Mail and
posted in the hospital lobby during the
holiday season.**
